### THE CITY OF VIENNA

Vienna's history dates back to the first post-Christian century when the Romans established the military camp Vindobona. **Today's cityscape** is characterised by the **abundance of baroque buildings** created mostly under the rule of Empress Maria Theresia and Emperor Franz Joseph, who was largely responsible for the monumental architecture round the **Ringstraße**.

Also Schönbrunn Palace, the Belvedere Palace are monuments of a long history of Vienna as a center of European Culture and Art.

You can reach Vienna by air travel to Vienna-Schwechat (LOWW), by train and international bus services.
